STAT 1. [REDACTED] LIAISON Took a call from Don Sanders, Special Counsel, Morgan-Schmitt Senate Select Committee on Ethics Subcommittee, and we discussed problems related to the Subcommittee's investigation of the [REDACTED]. Our discussion focused on procedures that might be used to enable the Subcommittee to accord an individual whom it was in the process of interviewing the right to outside counsel while abiding by nondisclosure provisions of the Memorandum of Understanding between the Subcommittee and the DCI.

STAT 2. [REDACTED] LIAISON Ms. Sue Slotnick, on the staff of the House International Relations Subcommittee on International Organizations, reviewed files at Headquarters in accordance with the Amendment to the Addendum to the Memorandum of Understanding between the Subcommittee and the DCI.

STAT 3. [REDACTED] LIAISON Upon receipt of a second letter from the office of Senator Alan Cranston (D., Calif.) I once again called Myrna Sanchez, in the Senator's office, and recalled to her our previous conversation of 4 August which I felt we had agreed obviated the need for a written response. Myrna agreed she had forgotten that call and the information had not been fed into the computer, hence the second letter. She did, however, request additional assistance for [REDACTED] a former employee of the Agency, by providing him with procedures to follow in correcting what he believes untrue information about him in the Agency's security file on [REDACTED]. We agreed that IPS would send [REDACTED] a letter advising him of such procedures. At Myrna's request, I am returning all previous correspondence to her in order to close out her file on [REDACTED].
